EVERYTHING TO SEE AND DO

## NIAGARA FALLS STUNNING BEAUTY

Jaw-dropping scenic beauty. Thundering roars. Mind-boggling cataracts. Simmering rainbows. And the raw power of 6 million cubic feet of water rushing over the edges every minute of the day. Comprised of the American Falls, Bridal Veil Falls and Horseshoe Falls, Niagara Falls is a true natural wonder.

### MAID OF THE MIST

The world famous Maid of the Mist cruises right to the base of the American Falls, then to the basin of the magnificent Horseshoe Falls. It's a fantastic journey through crashing waters, surrounded by massive rock formations that have tamed the raging rapids for millions of years. An unforgettable 30 minute tour.

### CAVE OF THE WINDS

Get closer to Niagara Falls than you thought possible. Your journey begins with an elevator ride 175 feet into the Niagara Gorge. Clad in a souvenir rain poncho and sandals, you'll follow a tour guide to the Hurricane Deck, less than 20 feet from the torrents of Bridal Veil Falls. Experience tropical storm-like conditions, getting doused with the spray from the rusing waters.
